

Activities to Build Partnerships

Wapello does many family activities throughout the school year to encourage our community and our parents to be involved with our students.

Some of these activities include Back to School Night, Grandparents' Day our annual Kolor Run, Family Movie night and our Veteran's Day and holiday programs.

Goals for Student Achievement

Wapello Elementary School exists to serve children in an environment that fosters esteem and strives to instill those values that lead to scholarship and responsible citizenship.

District Goal(s)

The mission of the Blackfoot School District No. 55, in partnership with the community, is to prepare students for the future by enabling every student to gain knowledge and skills, to develop confidence, to value life-long learning, and to become responsible contribution members of our changing world

Teacher/School Responsibilities

They will provide appropriate and meaningful homework assignments. They will provide a positive environment that encourages children to learn and believe they can learn. They will help each child grow to his/her fullest potential. They will seek ways to involve parents in the school programs while keeping open lines of communication with the students and their parents.

Student Responsibilities

They need to show respect for themselves, the school and other people. They need to come to school regularly and on time. When they are here they will be prepared with the necessary tools for learning. They need to complete and return homework assignments. They will obey school and bus rules.

Family Responsibilities

They will make sure their child is punctual and regularly attending schools. They will need to establish a time for homework and review homework regularly. Provide a place for them to study. They need to read with their student as often as you can. Be in communication with their child's teacher. They need to support the discipline policy of the school.
